

Rundflüge - Erlebnisflüge

Sightseeing Flights- Experience Flights

Sail through the air into the unique panorama of the most wonderful landscape.... only through the fascinating adventure of taking an ultra-light plane around the Bodensee can you see both the glittering Bodensee and the the snow white mountains of the Alps.

At the idyllic Wildberg Airfield, after being greeted by your pilot, you will be shown to your plane. As soon as you have got comfortable and buckled-up then the sight seeing flight begins. Straight from take-off the flight is impressive and difficult to find words to describe. In just a few seconds the Bodensee and Alps are in sight from the cockpit for you alone to enjoy.

The route can be determined by your desires. Guaranteed is the breath taking scenery, making the sight-seeing flight unforgettable. Maybe you will see the local region through different eyes when you come back down to earth.

Further Information:

You can determine the flight path: Allgäu - Bregenzerwald - Bodensee - Zugspitze - Schweizer Alpen.

We can fly you also to Rügen or Venice, the only limitation is presented by the weather.

Requirements:

Maximal weight: 100kg

Normal physical condition

Completion dependent upon:

Visibility by flight and the weather

Length:

From 15 minutes to as long as you like

Participation:

1 person

What to bring with you:

comfortable and weather suitable clothing

flat shoes

sun glasses

The Remos GX will make you feel comfortable and secure as it is one of the most modern planes on the market.

The plane has a built in rescue-system which allows it to be landed using a parachute.

All the instruments are state of the art enabling the pilot to have all the information required for the flight and you can also see this live in action and take part in the experience. We will explain all the basics of flying and should you get bitten by the flying bug then we can highly recommend the flying school at the airfield.

Scared of flying..... no problem! We have experience of solving this and are very successful in providing a most enjoyable flight. We want you to have the best possible flight with us and we will respect your wishes and ensure you are happy throughout the flight.
